Dear Clerk and Judge,

My previous Case # 6:22-cv-00769 was cancelled due to
improper notification, but this time I am going to hire a Process
Server. I am again notifying this court I am filing a
42 USC 1983 Law Suit Against Texas Dept of Criminal Justice,
Governor Greg Abbott, and University of Texas Medical Branch. I am
running into the same problems I had before. (Lack of Cooperation
from TDCJ)

In order to file this suit the Texas Dept of Criminal
Justice (Inmate Trust Fund) is not cooperating with getting me the
inmate trust fund banking statements I need to prove I am poor.
I am filing this case Pro Se and Informa paupers. (Been waiting
6 months)

This court has provided me the forms; but it has been since
November 5 2022 when I received your notice of cancellation that
the Inmate Trust Fund has refused to send me the documents I
need. My Advocate Dorothy Wooley has even tried several times to
get the documents for me. (enclosure)

I need to also inform this court - that I need to obtain
a Court Order to get medical care and attention.

2261580

I have at least (5) major medical problems. I Am seeking care for that A Mr Vatcher / The Senior Practice Manager / Medical is denying me. I need to put in the Hospital At Galveston and then obtain follow on care (for Permanant And Chronic Conditions) The VA in temple Texas could Also provide care.

- 1) My left hand is crushed : fingers were broken, hand was broken, I need surgery to fix my fingers And hand. (denied Gabapentin)
- 2) I have large bone spur left foot- makes walking difficult and extremely painful (denied pain shot, denied any care + treatment) Need surgical removal of bone spur.
- 3) need to have mammogram + ultra sound at same time! Only hospital in Galveston can do both. (Possible cancer) discovered large lump.
- 4) need apt to see Neurologist (have severe migraines) which are out control. This Unit (Mountain View) denied I have migraines and am failing failure to treat. They took my medical sunglass(es), denied me sumatriptan and melatonin (since) June 2022. Denied my migraines are debilitating and put me in work status.
- 5) need this court to contact my Dept of Veterans Affairs (representative) to verify the 100% Disability status and have the situation of medical unassigned resolved. (permanantly)

Also need to have this court contact Mr Sanchez at Region VI to Get me moved off this Unit to A safer unit where my life will not be in danger from denial of medical care, and I can't prolong my life. (They don't care on this Unit at all)

As previous mentioned- my Law Suit is prepared and ready to be mailed to you (except for inmate trust fund statements) I need immediate Court Protection to get me sent to the Hospital in Galveston or the Veterans Hospital in Temple Texas.

My Veterans Representative is: Justice Involved Claims Coordinator)
